**Map Disclaimer**  
 This map shows the possible archery hunting areas in BLUE. This map combines parcels 2 acres in size or greater and a 250 foot wide buffer around structures. The structures are taken from 2007 aerial photography. Other requirements of the ordinance that may prevent hunting within some of the BLUE areas include, but are not limited to 1) Changes in structures since 2007, 2) NC Wildlife Resources Commission rules, and dates of the archery season, and dates of the archery season, 3) Written landowner permission. The City Code of Ordinances is subject to change without notice.

These maps and products are designed for general reference only, and data contained herein is subject to change. The City of Concord makes no warranty of merchantability or fitness for any purpose, express or implied, and assumes no legal responsibility for the information contained therein. Data used is from multiple sources - with various scales and accuracies. Additional research, such as field surveys, may be needed to determine actual hunting boundaries and conditions.
